

RFP #HCL26-02: HCL X-Ray Microscope

Response to Proposer Questions

Date: May 8, 2026

Question 1

Inquiry: Attachment B – General Conditions for Service Agreements. Would the University be open to reviewing industry feedback or proposed redlines to the draft terms and conditions if provided?

Official Response: The RCUH is open to reviewing feedback or proposed redlines. However, please be advised that the provided terms represent our standard and preferred legal language. Substantial deviations may impact the execution timeline of the Service Agreement.

Question 2

Inquiry: To ensure accurate compliance and pricing, please confirm whether this effort will involve federal funding and identify the applicable RCUH attachment(s).

Official Response: This project involves federal funding therefore subject to [RCUH Attachment 32b](#).

Question 3

Inquiry: Section 17 references Attachments 1, 2, and 3 regarding performance and payment conditions; however, these were not included in the RFP package. Could you please provide these documents or confirm where they may be accessed?

Official Response: These attachments are placeholders for the following project-specific details:

- **Attachment 1:** Scope of Work
- **Attachment 2:** Time Schedule
- **Attachment 3:** Payment Schedule

These documents are created from the RFP requirements and the selected Offeror's proposal. Formal drafts will be generated and provided to the awarded Offeror when finalizing the Agreement for Services.
